# TCA Booster Club

The Trinity Christian Academy Athletic Booster Club is an organization consisting of parents, teachers and administrators who serve to support the 40 TCA athletic teams (20 Upper School and 20 Middle School) along with the Elementary School PAL Basketball program. Funding comes from membership dues and various fundraising projects.

The club's mission is to support and promote TCA's athletic programs by uniting students, parents, coaches, faculty, staff, and the community in a way that enhances the entire athletic program, while realizing that Jesus Christ is Lord over all things- including sports.

Seventy-three percent of TCA students participate in a sports activity. Please consider partnering with us.

The 2010-2011 athletic year was one of the most successful in TCA history. Highlights include State Tournament appearances for the Girls Volleyball, Boys and Girls Cross Country, Baseball, Softball, and Girls Doubles Tennis teams. The Varsity Football team ended their remarkable post-season as State Runner Up.

We are excited about the up-coming year and the opportunities with our sports programs. It takes commitment from everyone to make this program successful. If this is your first year at Trinity, please feel free to contact any of the officers of the club to discuss ideas. We desire to make our sports program the best in the state. After all, that is the idea. To give God's best!

We have five areas of focus: Membership, Novelties, Concessions, Public Relations and Fundraising. We would love to discuss any of these areas of interest with you.

We thank you in advance for your help and support!!!
