

## 2010 Auction and Art Extravaganza Fellowship Parties!

Fellowship Parties are a great way to get to know one another outside of student's classroom parties or athletic events. Please consider being a host and bring our Trinity community together for some fun and fellowship!

What can you do? You (or a group of friends) offer to host, at your house or a venue, a gathering for a designated number of guests or couples. The theme options are endless, but a few examples are a Bunko Party, Water Sports Party, Italian Dinner Party, Paint Ball, Football Tailgate Party, Heisman Hog Party, Trivia Night, a Mother/Daughter trip, and a Cajun Dinner. The ideas can be limitless.

What happens next? At the auction, guests sign up to attend your party by securing their bid number on the bid sheet at a predetermined price. The host(s) is responsible for underwriting the complete cost of the event including invitations, if applicable. The cost of the event would be tax deductible to the host(s) and the price paid per guest to attend would be a donation to the auction. We can't wait to see what creative ideas you have to offer for 2010! We are here to help you with the details. The sign up form is below; just detach it and return it to Kristi Anderson in the Development office or if you have any questions, please contact her at 410-8066.
