

Dear Trinity Families,

The TCA Booster Club is now taking early enrollment for this upcoming 2018-2019 school year. The early enrollment begins July 2, 2018 and ends August 1, 2018. The Booster Club's mission is to support and promote TCA's athletic programs by uniting students, parents, coaches, faculty, staff and the community in a way that enhances the entire athletic program while realizing that Jesus Christ is Lord over all things—including athletics.

Last year the TCA Booster Club raised the membership dues to stay competitive with surrounding schools. This year, we are doing a couple of things for our early promotional sign up event. By signing up before August 2, 2018, you will receive a discounted rate. The cost of the memberships will be at the original, old rate before the rate increase that went into effect last year. The prices will be as follows:

Promotional rate good through August 1, 2018

**Super Booster: \$250**

**Individual Booster: \$125**

**Junior Booster: \$150**

Effective August 2, 2018 the prices will return to the regular membership dues of:

**Super Booster: \$300**

**Individual Booster: \$150**

**Junior Booster: \$175**

We will also be offering a second promotional item if you sign up before August 2. This year we will also have an exclusive Booster Club popcorn bucket to be given away for free during this promotional time. The popcorn bucket will allow you to get it filled with popcorn for free at any regular season home game where popcorn is sold.

We would love to have every TCA family represented to support TCA's athletic program this year. If you are interested in supporting the Booster Club please click on the link below to sign up. We are taking all payments for the early sign up online this year through TCA's new website. We will get your membership cards printed and sent out at the end of the promotional event.

For those that are interested, we will also have Grandparent memberships for \$100 and Corporate memberships for \$650 that are **not** included in the promotional event, but we would love to have those memberships support our athletic programs.

If you have any questions, please feel free to email Scott Yeaglin at [scott.yeaglin@gmail.com](mailto:scott.yeaglin@gmail.com).

Scott Yeaglin
