Friday, July 12 | 10:00 a.m. - 3:00 p.m.
TCA STEM Lab | \$38 (lunch included)

A one day fun & creative summer learning experience for incoming K-2nd graders who are motivated to learn using STEM concepts!

Designed to introduce and experience:

- The four C's: critical thinking, communication, collaboration, & creativity.
- Learn and use the engineering design process.
- Fun hands on projects using math, science, engineering, & technology.
