Bookmark Book Report

You'll need to print your bookmark on one piece of paper, front and back. Then you'll fold it on the lines. As you read your chapter book, write down the date and the pages or chapters you read that day. The empty squares and circles on the bookmark are for you to draw pictures. Here are some things you'll illustrate:

- Front of bookmark: Draw a cover for the book (it doesn't have to be the same as the actual cover of the book)
- Characters: Draw pictures of the most important characters in the book. Then you'll write their name and any character traits that character has (ie. shy, nervous, excited, outgoing, happy, unkind, weird, loving). You'll also have to write examples of actions that character does that proves they have those character traits.
- Setting: Draw a picture of the main setting of the book (setting is time and place). Then explain it.

Be sure and add flavor (color) and a background to all of your illustrations. You also need to write in complete sentences. There is a rubric on the bookmark that will show you how you will be graded. Have fun!
